

# Live Art Dance & Wine Horizons Present a Guided Wine Tasting & 2016/2017 Season Launch!!!

Live Art Dance and Wine Horizons have partnered to present the 4th annual Guided Wine Tasting with Kevin Schwenker. Join the owner of Wine Horizons, Kevin Schwenker, and the Live Art Dance team, at Seasons by Atlantica on May 29 for a unique sensory experience where you will learn about 8 wines from Kevin's line. Get the insider's edge from this local aficionado on where and how his wines are made, what to look for when tasting wine, and how to trust your own instincts with wine.

Seasons Restaurant will be providing guests with some extraordinary amuse bouches to complement the wines. Come catch up with friends and learn more about your favourite beverage and your favourite contemporary dance presenters!

This event will be the first opportunity for Halifax audiences to learn about our next season and purchase subscriptions at early bird prices. Paul Caskey will be on site to launch his final season curation for Live Art Dance. It's a season not to be missed!

For more than three decades Live Art Dance has presented award-winning dance and exemplary performance art projects that stimulate, entertain and push the boundaries of current creative practice.
